## From the Pastor:

Did you know that I have followed Fr. Len Wenke around for years? It all began with him following me at the ordination ceremony – L goes before W. For years I followed him in a few assignments. As a deacon Fr. Len was at Our Lady of the Rosary Parish in Greenhills; my first assignment as a priest was there. While Fr. Len was teaching at Carroll H.S. 1972-1982, he lived at St. Agnes in Dayton, where I was pastor from 1989-1995. Recently, Fr. Len completed 13 years as pastor of St. Anthony Parish. As you know I am now pastor there also. Surely I would like to stay where I am for that long! Need I say that this is the end of the "following Fr. Len story" hopefully not any further than St. Anthony's, i.e. into an Archdiocesan office job! The fact is that he and I have a lot of common friends and parishioners. We are also in the same priest group. At our recent priest gathering he told me he will be witnessing the wedding of someone who was a child when I was at St. Agnes. I know that for years to come Fr. Len and I will be talking about many of you because of our common connection with you.

I will be away on vacation from the afternoon of July 18-28. Please contact our Parish office for any pastoral needs.

## DID YOU KNOW...

...25 people attended this year's first Hot Topics program. Our guest presenter Sr. Joan Krimm, SNDdeN spoke about protecting God's creation and working for justice. Her model in this was Sr. Dorothy Stang who was killed for her stand on the preservation of the Rain Forests and for her work to empower the poor of Brazil whose land was threatened. The next Hot Topic is on immigration, taking place on Wednesday, July 28.

...interviews have begun as we work to find a qualified person to take the position of music minister for St. Anthony Parish. The search committee began a few weeks ago reviewing applications and held some interviews this past week. We hope to have good news for you by the end of August. As we do this we also prepare to say good-bye to Stephen Pierce who has served us so well these past three years. Stephen's last Sunday with us is August 1. Hospitality in honor his will follow the 10:30 a.m. Liturgy.

**From the Peace and Justice Committee:** We encourage you to use the postcards in the back of church to contact your senators and representative regarding the immigration issue. The U.S. Catholic Bishops, including our own Archbishop Schnurr have emphasized the Christian principles involved in this issue. Archbishop Schnurr's statement has been posted to our parish website.

U.S. Catholic Bishops' Five Principles to Guide Immigration Policy:

1. Persons have the right to find opportunities in their homeland.
2. Persons have the right to migrate to support themselves and their families.
3. Sovereign nations have a right to control their borders, but they also must promote the common good.
4. Refugees and asylum seekers should be afforded protection.
5. The human rights and the human dignity of undocumented migrants should be respected.
